*Dear Delvilene,*

*this is a letter written by the children who are working in our "Africa- AG". Perhaps you know that at our school we can work voluntary in some study groups as "theater", "football" "low German" and "Africa".*

*Every Thursday we meet with Mrs. Stein, Mrs. Dünckmann and sometimes Mrs. Pallasch and do lots of interesting things. So we read and cook special African meals, work in different books and so on.*

*In September our whole school was working on Namibian subjects, for example <African games>*

*<African meals> <Drums> <Acrobats> <African fairytale: The song of the colorful birds> After we had worked regularly for two lesson, we met in the groups we had chosen before and worked there at the special subjects.*

*Perhaps you can have a look at our school homepage [www.grundschule-scholen.de](http://www.grundschule-scholen.de)? There you can see lots of photos taken during that special week (and of course about other events at our school).*

*Jolina worked in a group called <African landscape>. They built an African village and used paper, sand, leaves and play dough.*

*Johanne, Shaleen and Finja met in the group <African games>. Mrs. Patemann-Hinz who lived for more than 20 years in Namibia, visited them and showed them African toys. So we had very good examples and we could much better imagine the toys African children play with.*

*What are your toys? What do you like playing best?*

*Maria worked in the <cooking group>. They cooked shakalaka, pita (flat bread), date biscuits, and an African beans soup. We all enjoyed the cooking and the eating: yummy! In the end we tried to open a coconut: that was hard work, but in the end we made it!*

*Sarah practiced special acrobatics. The children in this group learned that African people express themselves by acrobatically means. At the end of the week they presented their tricks to the whole school: all the children and their parents. That was very exciting!*

*For all of us this was a very special and interesting week, and we all would like to know much more about you, your school and your country.*

*Perhaps you could write us an e mail?*

*We are looking forward to your next letter! So long!*

*With best regards from*

*Shaleen, Finja, Johanne, Jolina, Sarah, Maria und Natalia*
